

// Choose your pizza: 'Roman Pinsa or Neapolitan Pizza?' //

[ROMAN PINSA] The "Pinsa" is an ancient Roma recipe for preparing a rectangular shaped pizza made with a special blend of flours (wheat, rice and soya flour) which results in a crunchy crust and soft centre. Thanks to an high hydratation of the dough, a slow maturation and the use of natural sour dough, the Pinsa has a very high digestibility and is lower in carbohydrates and fat.

// Pizza Culture //

The word pepperoni in Italian has no meaning. We have a similar word, 'peperoni' (just on 'p') that means 'peppers'. In Italian culture what is usually called by pepperoni from people coming from the US is Pizza Diavola, a Margherita with spicy salamino.
