// Choose your pizza: Black Pinsa or Neapolitan Pizza? //

[BLACK PINSA] The "Pinsa" is an ancient Roman recipe for preparing a rectangular shaped pizza made with a special blend of flours (wheat, rice and soya flour) which results in a crunchy crust and soft centre. Thanks to an high hydration of the dough, a slow maturation and the use of natural sour dough, the Pinsa has a very high digestibility and is lower in carbohydrates and fat. Our version is just black, made adding vegetable charcoal to the pizza dough, 100% natural. **[Just +0.50€]**

// Pizza Culture //

The word *peperoni* in Italian has no meaning. We have a similar word, 'peperoni' (just one 'p') that means 'peppers'. In Italian culture what is usually called by pepperoni from people coming from the US is **Pizza Diavola**, a Margherita with spicy salamino.
