

// Choose your base: Neapolitan Pizza or Black Pinsa? //

[NEAPOLITAN] Our pizza chef, Vito Manzari, is thrilled to bring his pizza to Ireland. Our dough is crafted using a unique blend of two flours, Type 1 and Type 0, resulting in the creation of a preferment known as "biga" imparts a rich, melt-in-your-mouth flavor and excellent digestibility to our dough. We exclusively utilize the acclaimed Dallagiovanna flours: Napoletana 2.0 and Nobilgrano Type 1 flour, both of which come highly recommended by the AVPN (Associazione Verace Pizza Napoletana).

[BLACK PINSA] The "Pinsa" is an ancient Roman recipe for preparing a rectangular shaped pizza made with a special blend of flours (wheat, rice and soya flour) which results in a crunchy crust and soft centre. Thanks to an high hydratation of the dough, a slow maturation, the Pinsa has a very high digestibility and is lower in carbohydrates and fat. Our version is just black, made adding vegetable charcoal to the pizza dough, 100% natural. **[Just + 1€]**
